A Green Business Chamber of Commerce?

A 3D rendered scene featuring two stylized human figures, one green and one blue, shaking hands. They are standing on a white surface where several interlocking puzzle pieces are visible. The figures are positioned on two of these puzzle pieces. A green banner with white text is overlaid across the middle of the image.

...an association of businesspeople to promote commercial and industrial interests in the community

MANMADE GLOBAL WARMING HOAX EXPOSED

Arctic Ice Sheet **INCREASES** by 920,000 Square Miles in **ONE YEAR!**

facebook.com/ExtremelyPissedOffRightWingers2

ARCTIC ICE SHEET AUGUST 2012

ARCTIC ICE SHEET AUGUST 2013

"Manmade Global Warming" Hoaxers (Such As Al Gore) Predicted Arctic Ice Would Completely Vanish by 2013, Calling for Global Carbon Taxes to "Save The Planet"...

Instead, Arctic Ice Has INCREASED by 60%. The U.N. Intergovernmental Panel on Climate Change is Now CHANGING ITS STORY on Manmade Global Warming.

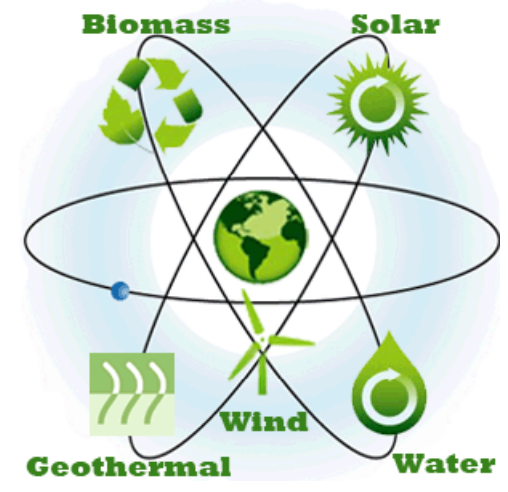

"Over the next several generations, the overall effect of climate change will be **POSITIVE** for humankind and the planet."
