

# VISIONS AND VALUES

**ANJR** is a non-profit, non-partisan network representing public and private sectors whose mission is to promote sustainability by promoting sound resource management and recycling strategies through education, advocacy, and the enhancement of professional standards.

**ANJR** firmly believes that New Jersey needs an integrated solid waste management plan, and will facilitate that plan with education and advocacy around the issues of:

*Recycling \* Source Reduction  
Household Hazardous Waste Management  
Medical Waste Management \* Buy Recycled  
Sustainability \* Biosolids Management Composting*

## ADVOCACY

*\* Litter Prevention and Reduction*

**ANJR** advocates the development and execution of sound recycling policies in New Jersey. Some current and recent examples and issues include the following:

- *Long term funding for recycling education and programs*
- *Producer responsibility for products and packaging*
- *Market development*
- *Promoting procurement of recycled products*
- *Identifying uses of non-traditional recycled products*
- *State regulation*
- *Waste prevention*

**ANJR** works with legislators and regulators to assure that solid waste and recycling laws are reasonable and productive, that market realities are recognized, and that impediments to recycling are minimized.
