## Save \$ for Yourself and Raise \$ for ANJR What a Deal!

Called the Affinity Program, it's sponsored by LaserSave, a member of ANJR. Very simple in both concept and implementation, the Affinity Program involves your working with LaserSave when you need supplies or servicing for laser printers, Deskjets, fax or copy machines.

The program will benefit you, the participant, as well as ANJR, in the following three ways:

1. Costs for your supplies will immediately be reduced by 30% or more.
2. Cartridges will be diverted from the waste stream as a result of your returning them to LaserSave.
3. LaserSave will donate 30% of the amount of your invoice to ANJR.

If you are not the decision-maker about purchasing supplies or servicing for laser printers, etc., please give this information about the Affinity Program to the person who is. For more information, call Alan Yoss at Laser Save (732-431-3339) or Marie Kruzan at ANJR (908-722-7575).

## We Want Your Feedback

This is ANJR's new style for *Beyond the Curb...* In the past, *Beyond the Curb...* has been four to eight pages in length. With this new style, we will attempt to keep it shorter and publish it more frequently. Additionally, we have e-mailed it to those members for whom we have e-mail addresses and will mail to the remaining members. Let us know what you think about the new style and distribution method. E-mail us at [anjr@verizon.net](mailto:anjr@verizon.net).

## ANJR Goes High-Speed

ANJR has a new high-speed internet connection. As a result, we now have a new fax number (908) 722-0280 and e-mail address [anjr@verizon.net](mailto:anjr@verizon.net). Please take note of the new information and update your address book. Our telephone number has not changed.

## A group of "REXies" assemble at the 2003 symposium and awards luncheon

On the day when Kathleen Hourihan was named recipient of the 2003 REX (Recycling Excellence) Award, she and all of the former award recipients who were at the luncheon gathered for a photo.
