Rolling out the Bag Ban: Everything Business and Government Need to Know

Thursday, May 27, 2021
10 a.m. – Noon

What's Happening?

On Nov. 4, 2020, Gov. Phil Murphy and the New Jersey Legislature enacted the most progressive bag ban law in the country. The law prevents litter and encourages the use of reusable bags by phasing out single-use plastic and paper bags.

Join representatives from the NJ Clean Communities Council, NJ Business Action Center, NJ Department of Environmental Protection, NJ Food Council, ANJEC, as well as policymakers, to learn about the new law, pending deadlines, and how YOU can prepare.

The conference will be hosted via Zoom Webinar. The registration fee is payable via PayPal or government purchase order. Once paid, attendees will receive a registration link and Zoom invite.

This not-to-miss event kicks off our one-year countdown to the ban.

Fee: \$40, payable by purchase order or PayPal, via NJClean.org.
