A Message from ANJR's President

Thank you so much to everyone who came out to support our 41st Annual ANJR Fall Symposium! It was a great day filled with learning, networking, and fun! Checkout this link for photos of the event: <https://flic.kr/s/aHBqjAZYt6> . The symposium was a resounding success which is a true testament to the hard-working volunteers that made it happen, my many thanks to all of you.

This year was attended by about 250 people that included both municipal and industry and exhibitors. I heard that the Raffle was the most successful event that ANJR has had in many years.

ANJR cannot exist without our individual and business members. Your dedication that supports the mission statement for ANJR does not go unnoticed.
